

Adopt an IUP Hockey Player to help assist with our team objective to go to Boston, MA for the 2023 ACHA Nationals Championships on March 16-21. Each year this is our objective, so all raised funds will be used for future seasons if not used for this year's Nationals. Our goal is to raise 20k to assist with travel, lodging and meal expenses.

Player fees for this club sport barely cover season expenses: ice cost, equipment / uniform expense, travel: (bus, hotels and meals), plus all of the administrative expenses.

All money raised will be used for the team and no money will go to a specific player.

The Foundation for IUP / Sam Kelly Memorial Fund is a 501(c)(3) and Thank you in advance for your support!!!
